Allison,

I am forwarding you the comments I received from Christine regarding the riparian rationale. Attached is a draft that includes her comments including the suggestion to delete the last paragraph. Linda didn't have any comments and Joelle didn't have comments other than to say that she agreed with Christine's comments.

Based on Christine's comments and our discussion regarding the last paragraph, I modified the Draft riparian rationale. It is also attached. Please let me know what you think.

Alan
